ADA Compliant

- ✓ Consult local and National accessibility codes for proper installation guidelines
- ✓ Conformily and compliance to local National codes is the responsabilty of the installer

Drill Holes Ø 1/4"

Cut the template on the back of the package, not this drawing.

Once the location for the waste receptacle container has been decided proceed with the installation steps below.

1. Use the template provided outside the box.
2. Use a level to ensure that the template is straight and level.
3. Use painters tape to hold the template in place.
4. Drill holes for supplied plastic anchors.

Installation

06 Loosely fasten the 4 supplied screws into the plastic anchors leaving about 1/4" of the screw out for the final installation.

07 Place the surface mounted waste receptacle onto the 4 screws. Use a level to ensure that the final installation will be straight and level.

08 Fasten screws securely.

Operation

Waste material is deposited into the receptacle through the open top. Waste material is removed on a cycle determined by maintenance needs. Use of a disposable trash liner bag is recommended. Unit on concealed 'key hole' slots may be lifted off mounting screws for dumping.

Use and Maintenance

Be careful when opening the packaging, clean the surface and the product before installing

Do not use powder detergents, polishing powders, rough cloths or any corrosive substances, to clean the product.

Please use water or neutral detergent to clean the surface of the products, and then dry them with a soft towel.

When using acid (alkaline) detergent to clean the objects next to the products, it may damage the surface of the products, please be very careful

Limited Warranty

MAC FAUCETS warrant all MAC Faucets products to be free of defects for a period of one year from date of purchase. MAC FAUCETS will replace, free of charge, during this warranty period, parts that prove defective when properly installed and under normal use and service. Damage that occurs as a result of abuse, improper installation, environmental conditions, or improper application will void this warranty. Products or components that have been altered or in any way modified will not be covered under this warranty. This warranty does not cover installation or any other labor charges. This warranty does not cover shipping and handling of both replacement parts and returned defective parts. Defective products must be shipped back to MAC FAUCETS facilities with postage and handling prepaid, along with dated proof of purchase. Replacement parts are under warranty only for the remaining period under the initial warranty.
